

## Participatory Planning & Implementation- An Indicative Plan of Action

SDSSP plan for participatory planning and implementation is suggested in action according to the following framework; that would provide help to define specific approach for participation. This Participatory Planning Framework (PPF) is an implementation tool of the community participation framework.

The implementation of PPF would reflect SDSSP's ongoing commitment to appropriately informing and involving the community, and to improving the efficiency and effectiveness of the project.

The framework provides a brief description of each type of level its definition so as to understand its importance, appropriate approaches and highlights the benefits of the proposed approaches.
