

TOWN MUNICIPAL ADMINISTRATION GULBERG TOWN KARACHI NAZIM SECRETARIAT

NO: GTK/TN/ 704 /2005

DATED 06 / 4 /2005

SUBJECT:- MINUTES OF THE MEETING HELD ON 05.04.2005 FOR THE
OUTSOURCING OF SOLID WASTE AND TRANSPORTATION

A third meeting of the Committee Members, comprising of the 08 Towns, including Gulshan-e-Iqbal Town, Gulberg Town, Shah Faisal Town, Jamshed Town, Saddar Town, Keamari Town, Liyari Town and Landhi Town, was held on 05.04.2005 at the venue, Gulshan-e-Iqbal Town. All the Member Towns and District Coordination Officer, City District Government Karachi, attend the meeting.

Various points regarding the solid waste management, including private sector participation were brought to light and discussed.

Gulshan-e-Iqbal Town apprised the participants about its experiment for giving the task of lifting and transportation of solid waste to a private party, partially, that private vehicles lift the garbage load, more than the vehicles of the Town. The Town further informed the participants that in future, solid waste will be collected from various UCs to the GTS, where from the garbage will be transported to landfill site through long vehicles. By adopting this methodology, in the opinion of the Town, the cost factor would be reduced to a great extent.

The nucleus of the discussion was the proposal, prepared by Shah Faisal Town. The methodology, cost analysis and allied points and visions of the said proposal were deliberated by the participants at length.

The DCO, CDGK, informed that a meeting was also held in the Governor's House, where ACS, Local Government Department, presented the proposal regarding private sector participation for solid waste management and the participants of the meeting, including Governor Sinch were of the opinion that this option should be adopted in the mega city such as Karachi.

The recommendations of the of the Committee will be brought in Zila Mushaverat Committee meeting for integration of the proposal of ' outsourcing of solid waste lifting and transporation, date of which will be announced, very shortly.

The chair, stressed that all the Member Towns will come in the meeting with a concrete choice of option, with full preparation and in agreement of the minds for the task of solid waste management through private sector participation in each Town, to overcome over the problem of insanitation.

The meeting ended with a vote of thanks to the chair.
